SUMMARY

UI/UX Designer with 10+ years of experience in graphic, website, and user interface design. Proven ability to create high-fidelity wireframes and prototypes in Figma. Expertise in user-centered design by understanding requirements to create user-friendly and engaging experiences. My most recent role as a Sr. UI/UX Designer at FiveS Digital has developed my skills in crafting high-fidelity wireframes and prototypes using industry-standard tools like Figma.

EXPERIENCE (3 Years of UI/UX Design / 10 Years of Website & Graphic Design)
